CSS Quiz

You may use class example files.
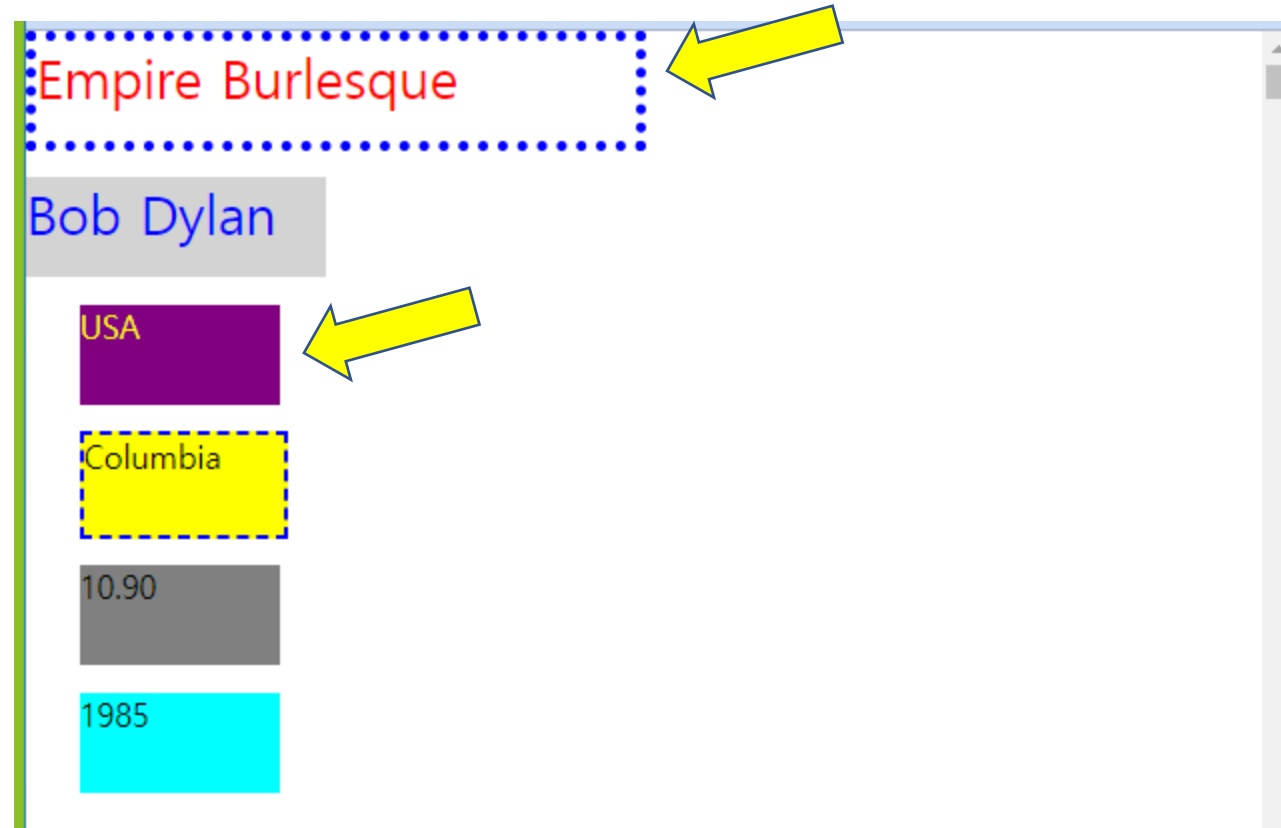

Section 1

Sep. 13

Deliverables: CSS_Test_Name.zip containing

Catalog_cd.xml and animation.css file

```css
catalog {
    background-color: white;
    width: 100%;
}
cd {
    display: block;
    margin-bottom: 30pt;
    margin-left: 0;
}
title {
    display: block;
    color: red;
    font-size: 20pt;
}
artist {
    display: block;
    color: blue;
    font-size: 20pt;
}

country {
    width: 100px;
    height: 50px;
    display: block;
    color: yellow;
    margin-left: 20pt;
    background: purple;
    -webkit-transition: width 2s, height 2s, -webkit-transform 2s;
    transition: width 2s, height 2s, transform 2s;
}
country:hover {
...
```
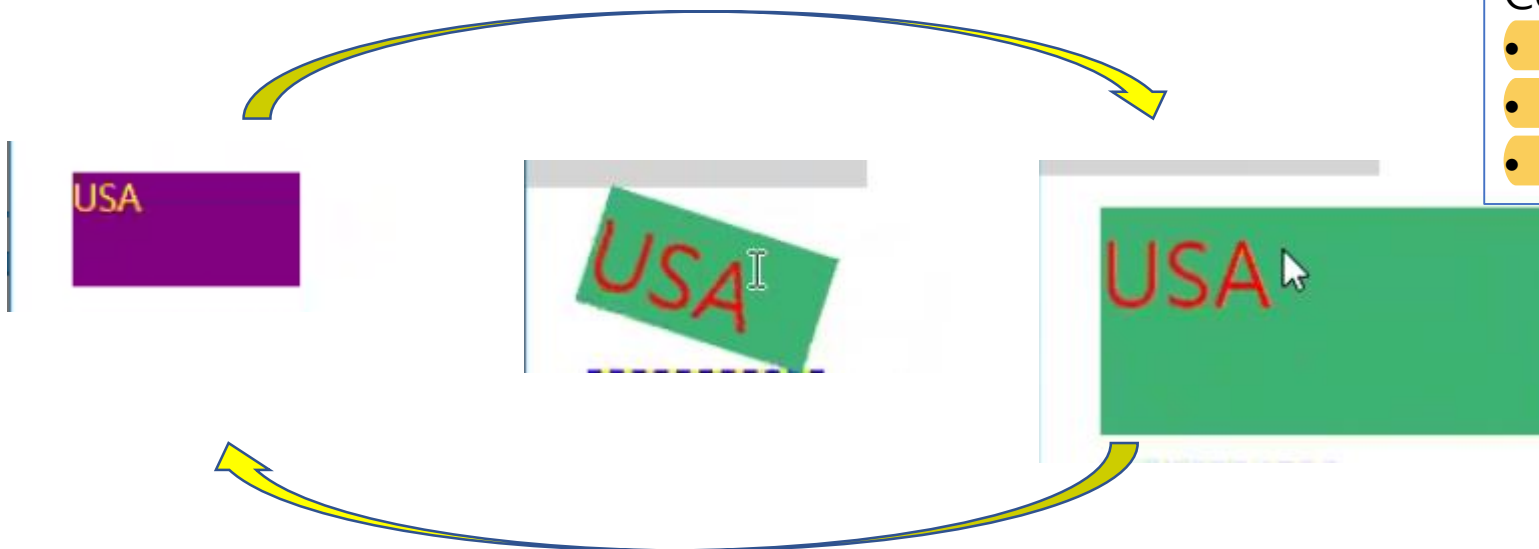

Provide the CSS for the animated rendering of the given xml data.

Title Data Animation
